/Authority will pay to the Bidder, GST or any other tax replaced with it at the prevalent rate at the time of actual payment to the Bidder.

2.2 For the purpose of the contract, it is agreed that the Contract Price specified in Price schedule, is based on the taxes, duties and charges prevailing one day prior to the last date of bid submission date. If any rates of tax are increased or decreased or a new tax is introduced or an existing tax is abolished, or any change in interpretation or application of any tax occurs in the course of the performance of contract, which was or will be assessed on the bidder in connection with performance of the contract, an equitable adjustment of the contract price shall be made fully taking into account any such change by addition to the contract price or deduction therefrom as the case may be.

3. **Income Tax & GST Certificate:**
   Attested copies of the following documents must be submitted along with the tender:
   - ITR (the original of which may have to be produced by the successful bidder before the issue of the work order).
   - Valid GST Registration Certificate.
   - Trade Licence Certificate.

4. **Discrepancies in Bid:**
   In case of discrepancies in bids, the following methodology will be adopted to correct the arithmetical errors for the purposes of evaluation:
   - In case of discrepancies between the original and Copies of bid, the Original bid will be considered correct.
   - In case of discrepancy between figures and words, the words will be considered correct.
   - In case of discrepancy between unit price and total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal prices shall prevail, and the total prices shall be corrected accordingly.

5. **Tender Acceptance and Rejection:**
   - Bidder must provide a response to all sections and requirements of this tender to be considered complete. Bidder's failure to comply with any part of the tender may result in the bidder's bid being disqualified for being non-responsive.
   - The Selection Committee of this Department reserves the right to reject any tender without assigning any reason whatsoever.
   - *All components in tender must qualify in technical specification. If any component fails to qualify in technical evaluation this will lead to rejection of the technical bid.*

6. **Authorized Representatives:**
   Any action required or permitted to be taken, and any documents required or permitted to be executed under this contract by this Department or the bidder may be taken or executed by the officials authorized for this purpose:

7. **Bid Evaluation Process:**

   7.1 Earnest Money Deposit:
   Rs.20, 000.00 (Rupees Twenty thousand only) as an initial Earnest Money Deposit shall be paid through online mode of payment (Payment link will be available in the website). This amount will be converted to security deposit for the successful bidder.

   The EMO for the successful Bidder will be converted to Security Deposit and additional amount of 8% will be deducted towards Security Deposit from each running bill. Such deducted total amount will be refunded after 3 months of completion of the work. No interest shall be payable on the deducted amount.

   Note: If any bidder is exempted from payment of EMO, scanned copy of original EMD exemption document needs to be submitted along with the Technical Proposal at the time of submission and also submitted when called for.

   7.2 Bid Security/ Earnest Money Deposit:
   Only bidders who have submitted the Bid Security/ Earnest Money Deposit shall be considered for further evaluation subsequently, a single step two-stage bidding procedure will be used for the

evaluation. Under this process, the technical bid will be opened and evaluated prior to opening and evaluating the financial bid.

7.3 Preliminary examination of bids:

(i)   The Selection Committee of this Department will examine both the bids to determine whether they are complete, whether any computation errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

(ii)   Arithmetical errors will be rectified on the following basis. If there is a discrepancy between words and figures, the amount in words will prevail and the bid shall stand corrected to that effect. If the bidder does not accept the correction of errors, its bid will be rejected and its earnest money will be forfeited. The Selection committee may waive any minor infirmity or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of any bidder.

(iii)   Prior to the detailed evaluation, the selection committee will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the biding documents without material deviations. Deviations from or objections or reservations to critical provisions such as those concerning performance security, warranty, applicable law and taxes and duties will be deemed to be a material deviation. The selection committee's determination of the responsiveness of a bid will be based on the contents of the bid itself without recourse to extrinsic evidence.

(iv)   If a bid is not substantially responsive, it will be rejected by the selection committee and may not subsequently be made responsive by the bidder by correction of the non-conformity or through clarifications.

At the end of this stage, the selection committee will agree on:
- Those bids which should not be considered for further evaluation.
- Any clarification that should be requested from qualified bidders.
